County, Utah

Dear Ms. Smith:

We have discovered that we have the contact for the Ruby Red – Wheeler #3 small mine project file listed incorrectly under your name. The contact for this project was changed from Clay Holnam to Jean Smith in July 2001, when the permit fee was paid and the return receipt slip requested the contact name change. The address and phone remained the same, as we had listed for Ruby Red Mining Company – only the contact was changed.

We have corrected this error by changing the contact name back to Clay Holnam. If this project is to be changed from Ruby Red Mining Company, with Clay Holnam as the owner/operator to you, then a transfer of the permit needs to be made. Please contact Joelle Burns at (801) 538-5291 to obtain a small mining transfer form, or you can access the forms on 

We apologize for any misunderstanding on our part for changing the contact to your name without receiving a written letter from Clay Holnam to do so.

Sincerely,

Tom Munson.
